

Pan-European Network in
Lipidomics and EpiLipidomics

Pan-European Network in Lipidomics and EpiLipidomics

WE HAVE 5 WORKING GROUPS

WG 1

Harmonization of
lipidomics workflows
to increase
natural lipidomes
coverage

WG 2

EpiLipidomics
analysis and data
integration
strategies

WG 3

Clinical significance
and applications of
(epi)lipidomics

WG 4

Integration of
(epi)lipidomics with
Lipid signalling and
mechanisms of
action

WG 5

Dissemination
and
outreach

Driving innovation
in the field of lipidomics
and epiLipidomics
